

We want you!

The Indiana Division of the International Association for Identification is actively seeking advertisers for our newsletter and website. We are an organization of roughly 150 people in the forensic community, mostly within Indiana. Our membership communicates through our quarterly newsletter: “Lab and Scene”, our Website: www.iniai.org, and at an annual educational conference typically held in October.

Advertisers are given a logo with a link to their web page on the right border of our homepage and a full-page color ad in our newsletter. This is available at a very modest \$200 per year, or pro-rated at \$50 per quarter year. The income from advertising helps us maintain our website and print our newsletter for those not receiving it by e-mail or on our members only section of our website. Any additional income helps us fund speakers at our annual conference.

Currently we have Sirchie, SPEX, Lynn Peavey, Armor, and Imprimus advertising with us. *We want you!* We feel this can be a great opportunity for you to get your company name out to a wide range of people in the forensic community, as well as a great way to inform our membership of what forensic companies are out there to help them get the training and supplies they need. This is a win/win situation for all!

Please visit our website and feel free to sign in to our members only section to view past newsletters using username: “vendor” and password: “vendor”. We are very interested in adding you to our list of advertisers. If you are interested in us too, please contact us via one of the avenues below. We look forward to hearing from you and building a long relationship with your company.

Thank you for your time,

Indiana IAI
